## PROFESSIONAL BACKGROUND

Tom Karger joined the Kronkosky Charitable Foundation in March 2025 and supports nonprofits in the Aging Adults, Health Issues, and Nature & Animals focus areas. Tom's professional path includes many years at Valero, where he served as a corporate trainer and later in human resources, before transitioning into independent consulting. His extensive experience in training, leadership, and organizational support now informs his approach to grantmaking, where he is committed to walking alongside nonprofits with steadiness and care.
